Enterra
SOLUTIONS

Scope of Work

- Location: Yardley, PA
- Area: 1530 square feet
- Number of workstations: 16 Herman Miller Resolve & Ethospace setups
- Customer Profile: Enterra Solutions delivers an integrated Enterprise Resilience Management service.
- Challenge: Provide a furniture solution that will help attract and retain highly skilled employees while meeting the stringent budget constraints of a start up company.
- Solution: Herman Miller Resolve was selected for the primary work area due to it's unique footprint, design elements and functionality. Ethospace was utilized for a wall mounted secretarial area.
